

## Patellar Luxation Correction Frequently Asked Questions

### Is there an online component?

Yes. The online Patellar Luxation Correction lecture series consists of four modules. Each module includes a 50-minute video and quiz. Attendees must score 70% or higher to earn 1 CE credit per module. Successful completion of online courses is required prior to attending the lab.

### How do I access the online lecture?

Registered attendees will receive a link to the online lecture 30 days before the hands-on wet lab. Attendees must complete all four modules before attending.

### Is this course RACE approved?

Yes. This course is approved by RACE for a total of 8.5 CE credits. 4.5 CE hours for the Wet Lab and 4.0 CE hours for the lecture series:

1. Pathoanatomy, Diagnostic Tips and Client Education
2. Case Selection and Surgical Approach
3. Trochleoplasty and Tibial Crest Transposition
4. Tension Balancing, Instrumentation, and Postop Care

### What should I wear?

Attendees should wear attire that is comfortable and cadaver friendly. Securos University will provide plastic aprons, gloves, and masks, but accidents happen. Scrubs are always a good choice.

### Will course notes/materials be provided?

PowerPoint presentations will be available digitally.

### Will we be working with cadavers or bone models?

Attendees practice on canine cadaver knees.

### What is your Cancellation Policy?

Attendees can cancel and receive a full refund of their registration fee up to 30 days before the event. After the 30-day deadline, refunds will be considered on a case-by-case basis.
